Pursuant to Article 16 of the *Rules of Procedure of the Ethics Commission of the Faculty of Education of the University of Ljubljana* dated 19 June 2014 (hereinafter: the Rules), the Ethics Commission (hereinafter: the Commission) has assessed the ethical appropriateness of the research entitled **The Attachment Characteristics of Higher Education Students, Assistants and Professors and Their Perception and Mutual Interaction** and adopted the following

DECISION

The research entitled **The Attachment Characteristics of Higher Education Students, Assistants and Professors and Their Perception and Mutual Interaction** is ethically appropriate and is confirmed.

Explication:

On 20 July 2022, the Commission received an application with a request to assess the ethical appropriateness of the research entitled **The Attachment Characteristics of Higher Education Students, Assistants and Professors and Their Perception and Mutual Interaction**. The members of the Commission have examined the application and assessed it as follows from the operative part of the decision.

Legal Precept:

In the case that the applicant does not agree with the decision taken, s/he may request a reassessment of the application by the Commission and attach a written argument regarding the disputed elements of the application. The application shall be sent to the Ethics Commission of the Faculty of Education, University of Ljubljana. The Commission shall consider the application and the comments submitted at its next regular meeting and shall reach a decision accordingly. After such reconsideration the decision of the Commission is final and no further appeals to the Commission regarding the matter in question are possible.
