## STUDENT ID CARD

*Student ID card* (X-card, X-ica) is an identification document enabling students to exercise their rights. The *student ID card* entitles students to subsidized meals in student restaurants and to discounts in some economic and cultural institutions.

To receive a *student ID card*, students should do the following:

1. visit photo studio and make **three 4x6cm** photos and **two passport sized** ones (bring them all to Zagreb)
2. print out the student ID form that can be found on the Faculty of Political Science web page ([https://www.fpzg.unizg.hr/en/in/before\\_the\\_mobility](https://www.fpzg.unizg.hr/en/in/before_the_mobility))
3. glue one 4x6cm photo on the form within the designated place
4. use **BLACK MARKER** to sign next to the photo and inside of the box designated for the signature
5. scan the document in **JPEG format** and in the **highest possible resolution (dpi)**
6. send the document to the following email address: [toni.kliskic@fpzg.hr](mailto:toni.kliskic@fpzg.hr)

**Photos for student ID card need to be exactly 4x6 cm!** Software we are using to upload the student ID card forms does not recognize smaller photos. If students don't do this before arriving in Zagreb they won't be able to eat in student restaurants. Making student ID cards takes time and students which don't do this before arriving will have to wait several weeks before receiving their student ID card.

Deadline for sending the student ID form is **January 19, 2020**.
