Broj studenata (trenutni ¹ / očekivani)	35	25
Bodovna vrijednost prema ECTS-u i vrsti izvođenja nastave		
Bodovi po ECTS sustavu:	5	5
Broj sati (P+S+V) ² :	30+30	30+30
Udio bodova po ECTS-u u pojedinom načinu izvođenja nastave (P+S+V) + samostalni rad		

¹ Navodi se okvirni prosječan broj studenata u posljednje 3 godine.

²Ako se dio nastave na kolegiju planira izvoditi u obliku e-učenja (npr. dio predavanja izvodi se online takva se nastava ubraja u postojeću strukturu satnice. Npr. 20P uključuje 16 sati nastave u učionici i 4 sata nastave putem LMS sustava. U tom slučaju u točki 1.7. ove tablice navedite ukupan broj sati nastave, bez obzira radi li se o P, S ili V, koji se namjerava izvoditi online. Do donošenja kriterija AZVO-a, molimo uzeti u obzir da postotak takve nastave ne smije biti veći 49%. Ako je prema prijašnjim pravilima i obrascu na kolegiju prethodno bilo navedeno 28P+0S+13V+4 e-učenje, a u izmijenjenom kolegiju, pod uvjetom da se i dalje namjeava izvoditi, 2P i 2P online, navodi se 30P+0S+15V.

OPIS KOLEGIJA	PRIJE PROMJENE	POSLIJE PROMJENE
1.1. Ciljevi kolegija	<p>Suvremene teorije društvenog razvoja integriraju različite teorijske škole, od marksizma i durkheimovskog funkcionalizma do weberovske komparativne sociologije, nastojeći ponuditi sveobuhvatnu teoriju modernog društva.</p> <p>U kolegiju se obrađuju teorije razvoja modernog društva četiri paradigmatskih sociologa: Talcotta Parsons-a, Norberta Elias-a, Anthonyja Giddensa i Manuela Castellsa.</p>	<p>Contemporary theories of social development integrate different theoretical schools, from Marxism and Durkheimian functionalism to Weberian comparative sociology, attempting to offer a comprehensive theory of modern society.</p> <p>The course examines classical theories of the development of modern society, contrasting structural and functionalist perspectives, as well as those that proceed from the assumptions of methodological individualism.</p> <p>The main goal of the course is for students to master some of the main theses on social development and apply them to current issues, and to consider the future in light of the climate crisis, the digital revolution, and various social polarizations.</p>
1.2. Uvjeti za upis kolegija	<p>Nema formalnih posebnih uvjeta niti preduvjeta za upis kolegija.</p> <p>Od polaznika se očekuje odlično poznавanje engleskog jezika.</p>	<p>There are no specific formal requirements for enrolling in the course.</p> <p>Students are expected to have excellent English language skills.</p>
1.3. Ishodi učenja kolegij		<ol style="list-style-type: none">1. Students distinguish and can explain key contemporary approaches to explaining social change and social development2. Students are able to analyse and apply modernization theory, functionalism and conflict theories to explaining contemporary phenomena such as digitalization and climate change3. By writing weekly short assignments and presenting them in class, students develop writing and presentation skills.4. By writing weekly short written assignments which require summarising, linking with other relevant sources and making

By reading, writing and speaking in English students improve their active language competence in English.</p> <p>6. In group and individual work in seminar students apply critical reading and writing skills, as well as analyse and evaluate chosen case studies of contentious politics.</p>
<p>1.4. Ishodi učenja studijskog programa kojima doprinose ishodi učenja ovog kolegija – potrebno ispuniti i matricu ishoda učenja studijskog programa (toč. 5.2.)</p>		<p>1.02. Bachelors of Political Science know the basic approaches, concepts and theories within contemporary political science and its subdisciplines (political theory, comparative politics, international relations and public policy). The first-level study creates the prerequisites for the fundamental organization of knowledge in the discipline and thus enables lifelong learning and improvement in the field. Bachelors of Political Science can compare and classify contemporary approaches and theories, and argue within them, as well as evaluate them in the context of the historical development of political ideas.</p> <p>1.13. Bachelors of Political Science are able to independently use research resources such as libraries, the Internet and databases. They can evaluate, interpret and research relevant sources of theory and data for a chosen research problem. They can also undertake simpler statistical analyses using a computer program for data processing.</p> <p>1. 14. Bachelors of Political Science have developed overall language competence in one of the three offered foreign languages (English, German or French as a foreign language of the profession). This includes understanding (listening and reading), speaking (speech interaction and speech production) and writing, according to the criteria of the Common European Framework of Reference for Languages (CEFR), as part of the European Language Portfolio compiled by the Council of Europe.</p> <p>1. 15. Bachelors of political science are able to independently advocate positions on political issues and scientifically argue for them.</p> <p>1. 16. Bachelors of political science have developed the ability to think</p>

		<p>critically and, having acquired the skills of political science-based practical judgment, are capable of making value-based and normative assessments of existing political institutions, processes and content, as well as new political situations and problems that open up in the discipline's horizon.</p>

1.8. Obveze studenata	Ispit je pisani i usmeni. Uvjet za izlazak na usmeni ispit je pozitivna ocjena iz pisanog ispita. Na usmenom dijelu ispita koji je fakultativan može se dobiti ocjena viša ali niža od one postignute na pisanom ispitu. Dodatni bodovi mogu se dobiti na temelju pohađanja nastave, seminarskih izlaganja i pisanih podnesaka u dogовору s nastavnikom. Ispitna materija može se položiti i putem dva pisana kolokvija. Izlazak na prvi kolokvij nije uvjet za izlazak na drugi kolokvij. Talcott Parsons, Društva, Zagreb: August Cesarec, 1991., I. knjiga, pogl. 2 (str. 15-45) i II.	Submissions are written before the seminar itself, where the assigned literature is discussed. It is not possible to write a submission for a topic that has already been covered. Only one submission can be written in a given week. Each student is required to write at least 5 submissions. This is a prerequisite for signing. Each submission should be approximately 500 words long (minimum 400, maximum 600). Submissions should be more than a summary; they should formulate a question or provide a commentary on the texts in order to stimulate a seminar discussion. Submissions are submitted the day before the meeting in which
